

# P1647 Status for June '04

## ◆ Governance review

- Provided a members roster to DASC Secretary in March
- Elections for chair ongoing
  - ◆ Serrie Chapman serves as Returning Officer
  - ◆ 14 day nomination period terminated 5/26
  - ◆ 14 day balloting period will terminate on 6/14
- Bylaw revision
  - ◆ Plan to merge a few provisions into the model bylaws, in place of current bylaws
  - ◆ Will ballot on revised bylaws after elections are done
- Over all, following DASC-SC guidelines with a slight delay...

# Status, continued

## ◆ LRM development

- WG meeting on May 11, next on July 6
- Much activity in some task forces (basic language, interfaces)
- Have 145 issues filed against current LRM version (0.1)
  - ◆ 95 of which are resolved, require updates to LRM
- Next version (0.2) is expected mid July
- Will focus on some less active task forces (concurrency, libraries)

## ◆ Coordination

- Would like to have some coordination effort with related standards
  - ◆ SystemC verification
  - ◆ System Verilog
